

Guidelines for 100th Anniversary Giving

In honor of our 100 years of serving the community, Savers Bank will award over the course of 2010 twelve gifts of \$1,910 to deserving non-profit organizations. The purpose of these gifts is to fund and support programs that improve the quality of life in the towns the Bank serves – Southbridge, Uxbridge, Auburn, Grafton, Charlton and Sturbridge. We will contribute to a wide range of organizations that focus on health, social/human services, education, housing and the arts. Requests will be considered for program grants, community sponsorships, special events, and capital projects.

Organizations must be tax exempt under section 501(c)(3) of the Internal Revenue Code or be a municipality, and demonstrate program sustainability and measurable results.

Ineligible for funding are: public and private schools, political activities, individuals, and religious institutions, unless the programs benefits the community at large.
